Magnolia Cottage

Magnolia Cottage is considered an "Elegant evening in the Old South" and should prove to be an evening of great food, wonderful ambiance.

Situated near the bank of the Coosa River, in Wetumpka, Alabama, Magnolia Cottage is owned by the Moody family that served wonderful meals and hosted beautiful wedding receptions at Chantilly Inn located in Montgomery and at Marengo located in Lowndesboro.

The house is an early 1900's Victorian home that has been completely refurbished.

Upon arrival you will be welcomed by the owners who will show you around and make you feel comfortable.

Main Entrance

When you enter the Chesterfield Tavern, filled with pictures of horse scenes and Toby mugs, you will feel as though you left the country and landed in an English pub. The bartender will be there to listen, pour a drink and provide interesting conversation.

Chesterfield Tavern

Magnolia Cottage does not have a liquor license. However, guests are welcome to bring beer, wine or spirits for before and during dinner. The tavern will provide mixers and soft drinks at no additional cost.

You are welcome to relax and chat with your friends in the Cottage Sitting Room before the dinner bell rings.

Cottage Sitting Room

Whether you are dining in the Magnolia Room or the History Room, you are sure to love the oriental carpets, antique furnishings and exquisite décor.
